

ICREGA'10

INTERNATIONAL CONFERENCE ON RENEWABLE ENERGY:
GENERATION AND APPLICATIONS
AL AIN, UNITED ARAB EMIRATES
8 – 10 MARCH 2010

The UAE University is organizing the “International Conference on Renewable Energy: Generation and Applications” ICREGA'10 to be held in Al Ain, United Arab Emirates. This conference is a continuation to the successful Renewable Energy Seminar, arranged by the College of Engineering at UAE university, which was held in Abu Dhabi on April 2008. The ICREGA'10 is sponsored by Abu Dhabi Water and Electricity Authority.

The Technical Program Overview

Authors are invited to submit **full papers** describing original work in **all aspects of engineering techniques** related to renewable energy and its applications covering the following topics but are not limited to:

- ▶ Solar Photovoltaic and Thermal Energy
- ▶ Wind Energy Systems
- ▶ Fuel Cells Systems
- ▶ Biofuel
- ▶ Other Sustainable Energy Sources
- ▶ Energy Storage Systems
- ▶ Electrical Energy Market, Management and Economics
- ▶ Intelligent Energy/Power Transmission and Distribution
- ▶ Energy Efficiency in Utilization
- ▶ Environmental Issues
- ▶ Energy Harvesting for Autonomous and Biomedical Applications
- ▶ Green Buildings
- ▶ Nano-energy

Submission

Authors are invited to submit papers in pdf format (6 pages, double column, single spacing) according to the IEEE two-column paper format. The paper template can be downloaded from the conference website. Submitted papers will be peer reviewed and accepted papers will be published in the Conference Proceedings. **15% of the conference papers (up to a maximum of 40 papers) will be issued in a special edition of the ELSEVIER, Renewable Energy Journal.**

Workshops, keynote lectures and Invited sessions

The Conference will include workshops and keynote lectures. The Program Committee is also soliciting proposals for invited sessions, particularly in one of the above theme areas. Interested organizers are invited to contact the Invited Sessions Chair at:
