

Objectives

Two main objectives for this conference:

- 1) Elucidating the recent research trends in the field of cultivation, safety control, diversity, conservation, biotechnology, cytogenetics and phytochemistry of medicinal plants,
- 2) Revealing diversity of pathogenic microorganisms as well as industrial and marine microbiology.

Conference Themes

- ✦ New approaches in cultivation of medicinal plants.
- ✦ Safety control art of herbal medicine.
- ✦ Environmental stresses on medicinal plants.
- ✦ Ecology, diversity and conservation of medicinal plants.
- ✦ Isolation, identification of natural products and their biological activities.
- ✦ Biotechnological applications and cytogenetic effects of medicinal plants.
- ✦ Diversity of pathogenic microorganisms.
- ✦ Antimicrobial activities of medicinal plants.
- ✦ Industrial microbiology.
- ✦ Marine microbiology.
- ✦ Probiotics.

Mobile: +2 0127430854
Fax: +2 033911794

Under the Auspices of

Prof. Hind Hanafy

President of Alexandria
University

Prof. Essam I. Khamis

Vice President of University for
Graduate Studies and Research

Honorary Chairman

Prof. Mohamed I. Ali

Chairman of Egyptian Botanical
Society

Prof. Mahmoud M. Gabr

Dean of the Faculty of Science
Alexandria University

Chairman

Prof. Salama M. El-Darier

Head of Botany and
Microbiology Department

Moderator

Prof. Ahmad K. Hegazy

Secretary General of the
Egyptian Botanical Society

Egyptian Botanical
Society

Faculty of Science

International Conference on Current Trends in Medicinal Plant Research and Microbiological Applications 27 – 29 October 2010

Organized by
**The Egyptian Botanical
Society
And
Botany & Microbiology
Department, Faculty of
Science, Alexandria University
Alexandria, Egypt**

Deadlines:

- ✦ Deadline for abstract 31 May 2010.
- ✦ Deadline for full text manuscript 30 June 2010.
- ✦ Posters will be fixed at the specified number at 8-10am during the registration time.

Full Manuscripts:

- ✦ Accepted manuscript will be published in a special issue of the Egyptian Journal of Botany
- ✦ (Print ISSN: 0375-9237)
- ✦ Please submit your article or poster both in hard and soft (attached word files or CD) copies to:

Dr. Mohamed Saad Abdel-Kareem

e-mail: m_abdelkareem@hotmail.com

emantahaali@yahoo.com

Mobile: +2 0124312262

Full Post Address:

Botany and Microbiology Department
Faculty of Science, Alexandria
University, Alexandria, Egypt. P.O. Box
21511.

Posters:

- ✦ Poster size must be 90 X 120 cm²
- ✦ Author presence is obligatory during poster session

Registration Fees:

- ✦ Egyptian active participant: 1200 EGP
- ✦ Non-Egyptian active participant: 1200 \$
- ✦ Egyptian active participant without residence: 800 EGP
- ✦ Attendant person with residence: 800 EGP
- ✦ Attendant person without residence: 400 EGP
- ✦ Full day field trip: 100 EGP and free for active participant

Payments

- ✦ Cheque or money order made payable to: Dean, Faculty of Science, Alexandria University, Alexandria, Egypt "MPMA 2010"

Registration fee includes:

- ✦ Admittance to conference sessions.
- ✦ Conference proceedings and all information materials.
- ✦ 3 conference lunches, 2 conference dinners and refreshments during breaks.
- ✦ Hotel residence.
- ✦ Local bus transportation (to/from hotels and for field trips).

Scientific Committee:

Prof. Salah El-Din Barakat (Alex.Univ.)
Prof. Kamal H. El-Batanony (Cairo Univ.)
Prof. Mahmoud Elbaz (Mansoura Univ.)
Prof. Laila M. El-Sadek (Alex.Univ.)
Prof. Samy H. Shaalan (Alex.Univ.)
Prof. Samir Khalil (Alex.Univ.)
Prof. Soraya Sabry (Alex.Univ.)
Prof. Mohamed Abdel-Razik (Alex.Univ.)
Prof. Kamal H. Shaltot (Tanta Univ.)
Prof. Abdel-fatah Badr (Tanta Univ.)
Prof. Faiza A. Fattouh (Alex.Univ.)
Prof. Ahmad K. Hegazy (Cairo Univ.)
Prof. Mostafa El-Sheikh (Tanta Univ.)
Prof. Ehab. R. El-Helow (Alex.Univ.)

Organizing Committee:

Prof. Yousry Gohar
Prof. Selim Zidan
Prof. Hanan Ghozlan
Dr. Mohamed Abdel-Maksoud
Dr. Amal Wagdy
Dr. Mohamed Saad Abdel-Kareem
Dr. Amel Tammam
Dr. Eman M. Fakhry
Dr. Ream I. Marzouk

Location:

Conference Center in the Faculty of
Nursing, Alexandria University,
Alexandria, Egypt

Exhibition

The conference an opportunity for exhibition, which will be open to all companies and societies interested in medicinal plants, plant products, drugs, industrial microbiology and agriculture.
